The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as shown below, which said company (the word company being understood through this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its own railroad, water line, highway route or routes, or within the territory of its highway operations, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each part at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in the Uniform Freight Classification in effect on the date hereof, if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Subject to Section 7 of conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement: The Carrier shall not make delivery of this shipment without payment of freight and all other lawful charges. Signed: Gulftech Marketing, LP.

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight.  
NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property.  
The agreed or declared value of the property is hereby specifically stated by the shipper to not be exceeding \_\_\_\_\_ per \_\_\_\_\_.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Carrier certifies that (a) the cargo tank supplied for this shipment is a proper container and is properly placarded and prepared for the transportation of this commodity as described by the shipper; (b) that the commodities included in this shipment conform to the descriptions of same on this document; (c) that such description conforms to the classification of each commodity as established under the rules and regulation of the Department of Transportation or other governmental agencies or authority having jurisdiction over this shipment; (d) that the cargo tank supplied for this shipment is visibly marked with appropriate placards for the commodities herein described in accordance with said rules and regulations; and (e) that Trucker has in all respects otherwise complied with all applicable provisions of said rules and regulations.

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as shown below, which said company (the word company being understood through this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its own railroad, water line, highway route or routes, or within the territory of its highway operations, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each part at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in the Uniform Freight Classification in effect on the date hereof, if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Subject to Section 7 of conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement: The Carrier shall not make delivery of this shipment without payment of freight and all other lawful charges. Signed: Gulftech Marketing, LP

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight.  
NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property.  
The agreed or declared value of the property is hereby specifically stated by the shipper to not be exceeding \_\_\_\_\_ per \_\_\_\_\_.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Carrier certifies that (a) the cargo tank supplied for this shipment is a proper container and is properly placarded and prepared for the transportation of this commodity as described by the shipper; (b) that the commodities include 1 in this shipment conform to the descriptions of same on this document; (c) that such description conforms to the classification of each commodity as established under the rules and regulation of the Department of Transportation or other governmental agencies or authority having jurisdiction over this shipment; (d) that the cargo tank supplied for this shipment is visibly marked with appropriate placards for the commodities herein described in accordance with said rules and regulations; and (e) that Trucker has in all respects otherwise complied with all applicable provisions of said rules and regulations.

It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each part at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in the Uniform Freight Classification in effect on the date hereof, if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Subject to Section 7 of conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement: The Carrier shall not make delivery of this shipment without payment of freight and all other lawful charges. Signed: Gulftech Marketing, LP

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight.

NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property.

The agreed or declared value of the property is hereby specifically stated by the shipper to not be exceeding \_\_\_\_\_ per \_\_\_\_\_.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Carrier certifies that (a) the cargo tank supplied for this shipment is a proper container and is properly placarded and prepared for the transportation of this commodity as described by the shipper; (b) that the commodities included in this shipment conform to the descriptions of same on this document; (c) that such description conforms to the classification of each commodity as established under the rules and regulation of the Department of Transportation or other governmental agencies or authority having jurisdiction over this shipment; (d) that the cargo tank supplied for this shipment is visibly marked with appropriate placards for the commodities herein described in accordance with said rules and regulations; and (e) that Trucker has in all respects otherwise complied with all applicable provisions of said rules and regulations.

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as shown below, which said company (the word company being understood through this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery of said destination, if on its own railroad, water line, highway route or routes, or within the territory of its highway operations, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each part at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in the Uniform Freight Classification in effect on the date hereof, if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Subject to Section 7 of conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement: The Carrier shall not make delivery of this shipment without payment of freight and all other lawful charges. Signed: Gulftech Marketing, LP

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as shown below, which said company (the word company being understood through this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its own railroad, water line, highway route or routes, or within the territory of its highway operations, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each part at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in the Uniform Freight Classification in effect on the date hereof, if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Subject to Section 7 of conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement: The Carrier shall not make delivery of this shipment without payment of freight and all other lawful charges. Signed: Gulftech Marketing, LP

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight. NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to not be exceeding \_\_\_\_\_ per \_\_\_\_\_.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Carrier certifies that (a) the cargo tank supplied for this shipment is a proper container and is properly placarded and prepared for the transportation of this commodity as described by the shipper; (b) that the commodities included in this shipment conform to the descriptions of same on this document; (c) that such description conforms to the classification of each commodity as established under the rules and regulation of the Department of Transportation or other governmental agencies or authority having jurisdiction over this shipment; (d) that the cargo tank supplied for this shipment is visibly marked with appropriate placards for the commodities herein described in accordance with said rules and regulations; and (e) that Trucker has in all respects otherwise complied with all applicable provisions of said rules and regulations.
